- Surface area : 1 ha 79
- Production : 2,530 bottles
- Harvesting: by hand

### 2015 vintage :

*Tasting notes by L. Michelet*

A beautiful ruby-red colour with dark purple highlights.

The very first nose reveals savage notes of sloes and kirsch. This evolves into a lingering spicy varietal note typical of the gamay grape.

The mouthfeel is already present, with good volume and fine texture. The wine is quite smooth yet reveals an assertive side. A delightful crisp fruity note pleases and excites the taste buds.

In the finish, this is a well-structured, flavoursome and quite serious wine.

Food matching: pepper steak, roast beef with ceps.

Aging potential: 6 years
